### 5.1 Art in Architecture

- Still in process
- Format shifting to outline/point format (see minutes from Sat, Jan 15, 2005)

### 5.2 Geography/Geology Section 3.0

Text underway in format of outline/point style.

## 5.3 Preliminary Programme

- Reviewed with Roger and David.
- Item accepted and enjoyed.

### 5.4 Official Registration

Registration for Level D9-A to be completed.

### 5.5 CERB Forms

Underway, no problems encountered to date.

### 5.6 Section 2.0 – Science of Buildings

- Final editor proof expected this week.
- Meeting with Educators set for Friday, Jan 21 @ 3:30 p.m.
- Comments received from Bruce Peberdy; additional comments anticipated.
- Roger and David provided comments refer to separate minutes

### 5.7 Schedule Review

Current progress remains behind on curriculum and ahead on programming. Overall goals remain on track. Revised curriculum type/format will speed process for curriculum preparation.
