

AGENDA OF MEETING

Date: **Wednesday, 9 November 2005**

Present: Alton Tangedal
Kurt Dietrich

Thesis Advisor
Thesis Candidate

Purpose of Meeting: **Weekly Progress Meeting**

ITEM / DISCUSSION

42.1 Future Final Presentation

- Storyboard remains in progress as drawings are completed.
- Will be completed for presentation on November 24.

42.2 Current Activities

- Development of interior rendering skills are now awesome.
- Three-dimensional massing studies continuing.
- Technical Failures continue but new methods found to deal with computer ignorance.

42.3 Design Process

- Interior spaces complete.
- Exterior spaces near complete.
- Exterior massing and site influences ready for illustration.

42.4 Overall Schedule

- Progress on schedule for completion November 24, 2005
- Request forwarded to revise next meeting to 24 Nov. (don't want to meet Friday as that allows too much time to linger.)

42.5 Educator Activities

- Coordination underway to teach curriculum in class.
- Initial dates of 22 or 24 Nov were rejected due to influence on overall presentation preparation.
- Future dates remain to be determined.

42.6 Additional Complications

- No further complications experienced or anticipated at this time.
