

AGENDA OF MEETING

Date: **Thursday, 27 October 2005**

Present: Alton Tangedal
Kurt Dietrich

Thesis Advisor
Thesis Candidate

Purpose of Meeting: Weekly Progress Meeting

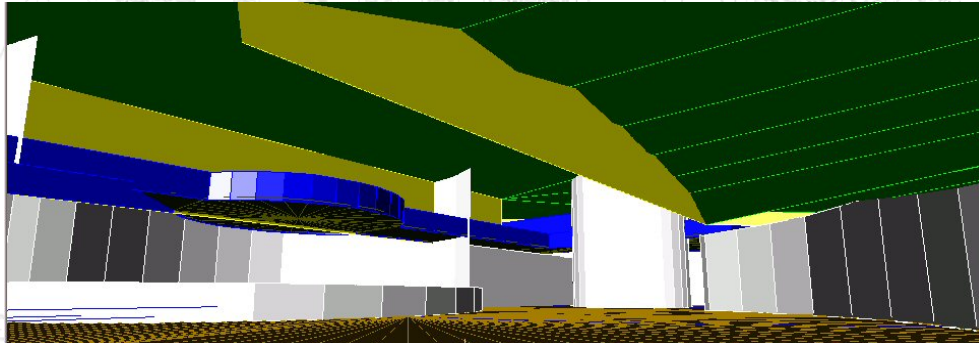

ITEM / DISCUSSION

40.1 Future Final Presentation

- Storyboard development underway.
- Idea is to illustrate the thesis process from start to end.
- Focus will be on Part II.
- Part I (already passed) will be brought in as back-up for decisions made in Part II.

40.2 Current Activities

- Development of interior rendering skills continuing.
- Three-dimensional massing studies continuing.
- Interior Rotunda shown below.

40.3 Design Process

- Interior spaces being resolved. Progress is good to date.
- Exterior spaces under review, relative to Geography section and previous site analysis.
- Final resolution to instruction spaces being completed.
- Further development within lab spaces underway.
- Massing studies (refer to 40.2) continuing. Item refers specifically to Design Elements Curriculum.
- Time away from office is tentatively scheduled for late November depending on progress at that point.

40.4 Website Development

- Website is up-to-date and current with all items listed.
